LOOKING FOR YOUR DOOR TO OPPORTUNITY?

Students trying to find perfect internships that fit their field of study and provide hands-on experience to develop their careers oftentimes settle for less than they hoped for – and end up taking whatever internships are available. But we encourage you to consider Arizona Interns-In-Action -- with over 50 participating state agencies providing more opportunities to more interns than any single Arizona employer. Check out our website at www.hr.az.gov/Intern and discover your door to opportunity!

Welcome New Interns!

From Fall Semester 2013 thru Spring Semester 2014, we're proud to announce that 50 new interns representing 15 different Arizona schools are participating in our intern program at 15 different state agencies -- from Health Services to Administration, Court of Appeals to Economic Security, Tourism to Education. Welcome aboard!
